A completely remodeled apartment is offered for sale in the highly sought-after Altamira urbanization, Chacao municipality. In its renovation that dates back two years ago, all the pipes were changed and porcelain tile was installed in all its areas, modernizing and giving the property a much fresher and more renewed feel.

It consists of two large main rooms with their bathroom included, both with large closets. In the social area we can find a spacious living-dining room with large anti-noise windows that have a partial view of the majestic Ávila, accompanied by a beautiful planter.

An impeccable white kitchen with granite countertops. It has a comfortable utility room with its integrated bathroom. It has air conditioning installed in all its areas, a camera system and multilock door for greater security; 4 water purifying filters.

The building is kept in excellent condition, impeccable and fully operational, it has two elevators which were changed a few years ago. It has a water well so the lack of vital liquid will not be a problem. The parking spaces are unroofed.
