Description

Excellent investment, comfortable office, currently works as a medical office, in one of the most desired areas for this purpose, on Avenida Libertador, in front of the Santiago de Leon de Caracas Polyclinic, and very close to PDVSA, distributed in a waiting room with access control and assistant position, a spacious office with the possibility of a double room, an additional office, and an internal bathroom. The building, very well preserved, with access control on the ground floor, only 4 offices per floor, elevators in very good condition.
